COLLEGIATE

EXCHANGE CLUBS

make a difference!

WHAT IS EXCHANGE?

The National Exchange Club was founded on March 27, 1911, and is made up of more than 650 local clubs,

and nearly 20,000 members, throughout the U.S. and Puerto Rico. The organization's National Headquarters is located in Toledo, OH. Through the Programs of Service – Americanism, Community Service, and Youth Programs – members support activities that benefit youth, promote pride in our country, and honor military and public service providers, to name a few. The prevention of child abuse is Exchange's National Project.

WHAT IS A COLLEGIATE EXCHANGE CLUB?

A Collegiate Exchange Club is a local-level Exchange Club conducted on college or university campuses. Collegiate Clubs participate in campus-wide projects and community service programs which benefit students, campus life, and the community as a whole.

Collegiate Exchange membership grants members the opportunity to meet regularly with new people to address a variety of topics, such as campus issues, current events, the needs of your campus and community, and developing business contacts while enhancing your personal and professional skills.

WHAT TO EXPECT IN A COLLEGIATE EXCHANGE CLUB:

- **Relationships:** The relationships you will build could last a lifetime.
- **Growth:** Belonging to a club encourages personal and professional growth.
- **Extra Curricular:** You are getting involved with your peers, your school, and your community.
- **Volunteering:** Giving back and making a difference in people's lives and in communities are incredible feelings.
- **Exposure:** Seeing and experiencing things outside of your normal day-to-day life will make you a more well-rounded person.
- **Leadership Skills:** Joining a club will give you the opportunity to grow as a leader by placing you in situations where your decisions and communication directly impact others.

Collegiate Club memberships are ideal for students who are interested in the prevention of child abuse, serving their communities, helping future generations succeed, and promoting awareness of American values.
